

10-11 July 2021

Webinar with Senior FIDE trainer GM Alex Baburin

Mastering Basic Rook Endgames

At this webinar we'll examine rook endgames with fewer than 4 pawns in total, including endgames with rook vs pawn(s). You will learn about key positions and main methods of defence and attack. There will be a test on day 1 and sparring practice (on lichess) on day 2.

This webinar is for players over 25 years old, aimed at those with national or FIDE rating between 1600 and 2000. Players outside of this rating band are welcome to join at their own discretion. Participants will receive webinar materials in PGN.

Minimum number of participants: 6, maximum: 20
