

26-27 June 2021 Webinar with Senior FIDE trainer GM Alex Baburin

Calculate Like a Chess Pro!

At this webinar you will learn how to evaluate positions, choose appropriate candidate moves and calculate them properly, without omitting important nuances or going in circles. You will also learn how to spot difficult moves and minimise blunders in your games.

This webinar is for players over 25 years old, aimed at those with national or FIDE rating between 1600 and 2000. Players outside of this rating band are welcome to join at their own discretion. Participants will receive webinar materials in PGN.

Minimum number of participants: 6, maximum: 20
